RE: Letter of Recommendation

Dear Andrew:

This firm is pleased to recommend Andrew Miner General Contractor to those who desire to construct multi-million dollar fine custom homes with intricate detail and understated elegance.

Throughout our 27 years of association, Andrew Miner has successfully constructed every style of home imaginable in Newport Beach and Newport Coast. Amenities include home theatres designed by internationally renowned consultants and the latest advances in multi-media technology. Andrew Miner has the talent to understand how architecture, landscape design, and engineering come together with the owner's goals and desires to create a beautiful and functional living environment.

Andrew Miner's vast experience in residential and commercial construction have always made this firm's work easier, and that is greatly appreciated!

Good luck in the future!

Sincerely,
